Reference: Amended May Monthly Report (4/1/02-4/30/02), received 6/3/02

Dear Ms. Adkins:

On May 28, 2003 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your June 13, 2003 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Commission Regulations require that a committee disclose the identification of all individuals who contribute in excess of \$200 in an election cycle. (11 CFR §104.3(a)(4)(i)) Identification for an individual is defined as the full name, mailing address, occupation and name of employer. (11 CFR §100.12)

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. Your response dated June 13, 2003 is not an adequate description of the committee's attempts to obtain the information. To establish "best efforts", you must demonstrate that the follow up request is made no later than 30 days after receipt of the contribution.

An adequate response must be received at the Commission by July 9, 2003. Adequate responses received on or before this date will be taken into consideration in

determining whether audit action will be initiated. **Requests for extensions for time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
